Etue and William's book was published in 1996. It is a thoroughly-researched and unbiased account of the women's game from a largely Canadian perspective. As a result of that exceptional research and the unique interviews in On the Edge, reliable data and quotes that may otherwise have been lost to time are available in abundance. So too are glimpses of players who have since become icons, including Hayley Wickenheiser, Riikka Sallinen, Angela James, and Cammi Granato.
