Will Christopher Baer somehow makes that combination not just appealing but compelling - once I started reading these 3 novels I didn't stop until I had finished all 900+ pages. Poe is a complete mess but I couldn't help but pull for him, and he manages to extricate himself from one dire predicament after another. I give Baer much credit for adding a unique voice to the mix.

In the end, I think I liked this book more because I really enjoy Will Christopher Baer's style and voice. And I gravitate toward his kind of offbeat weirdness. Predictable, he definitely is not. So, the story is not exactly what kept me going--which has some sort of connection to ULYSSES, tho I'm not entirely sure what. It could just be that Phineas felt a bit like Daedalus in this one, as he ...

„Penny Dreadful“ hat auf dem Papier also die besten Voraussetzungen für einen Erfolg. Die von Showtime und Sky Atlantic co-produzierte Horrorserie könnte somit direkten Kurs auf das Fahrwasser von „American Horror Story“ nehmen. Mit ihrer psychosexuellen Mischung aus Suspense, Drama und dezenter Erotik steht das kommende Saison in die vierte Staffel gehende Erfolgsformat der „Glee ...
