Delivers jump-starting power with 700 peak amps and 350 instant starting amps. Reverse polarity alarm alerts when there is an improper connection; Connect the clamps to the battery, turn on the switch and start your vehicle. Features a 120 PSI air compressor to help inflate tires with low pressure; High-powered LED light rotates 270 degrees to help you work in the dark Triple USB port provides ...

[stanley fatmax jump starter for sale | eBay](#)

Some Stanley jump starter instruction manuals suggest you do a maintenance charge of 2 hours every month if the jump starter has not been used in that period. Regular battery maintenance would suggest that a more standard charging interval should be every 3 to 4 months. The 2 hours charge will not have any ill effects on the jump starter, so you could do it every month if you have the time and ...
