The military philosophies of the ancient Chinese general Sun Tzu are admired and studied to this day—and now Kelly Roman has used these timeless lessons on warfare to create The Art of War. This stunning two-color graphic novel has turned Sun Tzu's iconic military strategy text into an action-packed thriller set twenty years in the future, when Wall Street is militarized and China is the world's dominant economy. With more than three hundred illustrations by artist Michael DeWeese ...

I am often asked by friends who don't read comics what comics they should read to get started with the format. They don't want superheroes, they don't want simplicity. They want "literary" comics, things that will reveal the true range of this art form we love. There are certain standard recommendations to give in response [...]

Kelly Roman was punished, but nothing could punish him like his own conscience did. Once released from prison, he discovered his brother, an employee of Sun Tzu, was murdered. For Shane, there is nothing more important than finding the person behind Shane's death. As he starts to dig, however, he finds the darker and more disturbing world that hides behind the surface of the global economy. No longer about just money and ethics, the obsession with power has led men to do or create things ...

[The Art of War – Wikipedia](#)

'The Art of War' is a military strategy book written by the 6th century Chinese author Sun Tzu. It is a classic and is considered to be one of the greatest books ever written on the subject. The principles explained in this book are applicable in various fields of planning, business tactics or even political campaigning. It was even used by the Brazilian football coach to plot his match ...

[The Art of War \(disambiguation\) - Wikipedia](#)

The Holy Roman Emperor or the Caliph are the best examples. With their support and very large armies, losing the war will be very hard. Be mindful though that an ally making war by himself is useless for yours, as his troops will be busy elsewhere. With Jade Dragon, the tributary system also allows for easy alliance forming. By declaring tributary wars on smaller, peripheric states, you will ...
