### [The Drama Of Being A Child The Search For The True Self](#)

The first publication of Drama of Being a Child and of this 1997 edition are separated by fifteen years of experience - the author's experience with her own self-therapy and with other recent therapy methods, and finally her knowledge of the life histories of the several thousand readers who have written to her. The research into childhood she has undertaken in this period has led to further fine-tuning of her earlier findings, as is documented and illustrated here with an abundance of ...

In "The Drama of the Gifted Child; The Search for the True Self," Alice Miller exemplifies the significance of child development as she underlines the detrimental impact of poor parenting and the lingering inadvertent path that follows into adulthood as a result. She provides insight on the many complications that hinder the developmental process of children in relation to the long-term ...

The ideas in this book have given me the tools to become my "true self" and get that self-esteem I have always lacked. I admit that I have only just finished reading the book and have yet to do most of the work involved in this, but I feel incredibly confident that this is what I have been missing (for me with these type of therapeutic and self-revelations, you know when something speaks to ...
