[The Drama Of The Commons Dsuh](#)

The "tragedy of the commons" is a central concept in human ecology and the study of the environment. It has had tremendous value for stimulating research, but it only describes the reality of human-environment interactions in special situations. Research over the past thirty years has helped clarify how human motivations, rules governing access to resources, the structure of social organizations, and the resource systems themselves interact to determine whether or not the many dramas of the ...

Research over the past thirty years has helped clarify how human motivations, rules governing access to resources, the structure of social organizations, and the resource systems themselves interact to determine whether or not the many dramas of the commons end happily. In this book, leaders in the field review the evidence from several disciplines and many lines of research and present a ...

The "tragedy of the commons" is a central concept in human ecology and the study of the environment. The prototypical scenario is simple. There is a resource--usually referred to as a common-pool resource--to which a large number of people have access. The resource might be an oceanic ecosystem from which fish are harvested, the global atmosphere into which greenhouse gases are released, or a ...

Albatross ?? The Drama of the Commons 5 2007-03-04 15:45:15 "The tragedy of the commons" has been famous after Hardin used this metaphor to describe his pessimistic perspective towards the declining natural resources and the degraded environment we rely on four decades ago, in which vein the future seems so dim. Fortunately, however, the hope is left in Pandora's Box -- Since ...

Written from a variety of disciplinary perspectives, The Drama of the Commons does a particularly good job of tackling the shortcomings of single-discipline approaches to analyzing these issues. As with most collections of essays, the voice is not totally consistent and, while various frameworks for analyzing these issues are explained, these components are not as sharply focused as, for ...

Dashes add drama—parentheses whisper. Dashes can be used for emphasis in several ways: A single dash can emphasize material at the beginning or end of a sentence. Example: After eighty years of dreaming, the elderly man realized it was time to finally revisit the land of his youth—Ireland. Example: "The Office"—a harmless television program or a dangerously subversive guide to ...
