It's no wonder that the urban witch has little time left for magical and spiritual development. Traditional Witchcraft for Urban Living deals with the constant barrage of psychic problems that confront the urban witch on a daily basis. Based on the teachings of a traditional Craft background, the author successfully manages to blend the Old Ways with practical contemporary practice. This book ...

Traditional Witchcraft for the Seashore, by Melusine Draco O Books, 9781846944260, 159 pp., 2012. The majority of books I encounter on the subject of witchcraft and Wicca fall into one of two categories: they are written for rural witches, or for urban witches, as though those are the only two options.

AbeBooks.com: Traditional Witchcraft for Urban Living (Paperback): Language: English. Brand new Book. For the witch whose career confines them to an urban environment, regular Craft practice may often seem like a futile gesture, especially if home is a small, gardenless-flat. Even the suburbs can be magically incapacitating, if there is constant noise from traffic and neighbours.
