Noah Webster, Jr. (October 16, 1758 – May 28, 1843), was a lexicographer, textbook pioneer, English-language spelling reformer, political writer, editor, and prolific author. He has been called the "Father of American Scholarship and Education". His blue-backed speller books taught five generations of American children how to spell and read, secularizing their education. According to Ellis ...

Noah Webster also used quotes from many authors of classical literature in his dictionary. His work went on to inspire many other authors in their use of the language. As with Emily Dickinson, we know that she made frequent and extensive use of Noah Webster's 'Dictionary of the English Language' in writing her poems, paying attention not only to definitions but also to Webster's etymologies ...

Noah Webster's dictionary at once became, and has remained, the standard English dictionary in the United States. Webster was an ardent nationalist who wanted to stress the political separation from Britain by cultivating a separate American language. Under the influence of his friend Benjamin Franklin, he gave many printed American words a distinctive appearance. The bulk of Webster s ...
